

Olympic WEST: Inquiry Based Learning in Olympic National Park

A 3-Day Retreat for Washington State Teachers and Their Families

Need a relaxing way to connect with your family and your colleagues while receiving clock hours?
We have space available for our upcoming teacher training retreat!

PARTICIPATE in our Olympic WEST series -
Watershed and Environmental Science Training - at
Olympic Park Institute.

DISCOVER hands on inquiry-based learning methods
that you can bring back to your classrooms and
school yard.

ENJOY the early stages of spring in Olympic National
Park while spending time with colleagues and family.

EXPLORE old growth forests at Barnes Point and
forests along the clear waters of Barnes Creek and
Marymere Falls.

Dates: Optional Evening starting 6pm Friday April 15th
8:30 am Saturday, April 16th through
1:30 pm Sunday, April 17th, 2010

Tuition: \$45 per teacher
\$60 per non-participating guest
Free for children ages 9 and under. Childcare is not
provided, please make arrangements for supervision.

Participants: Washington State Teachers and their families

Clock Hours: 14 hours available, at an additional \$2.50/hr

Olympic Park Institute, a campus of NatureBridge, is a nonprofit environmental education organization, dedicated to connecting kids to nature through science.

Our campus is situated on the south shore of Lake Crescent within Olympic National Park, three hours from Seattle and twenty miles west of Port Angeles on Highway 101.

Your cozy cabin is a short walk from the lake. Hearty meals are served in historic Rosemary Inn, where we can accommodate vegetarian and other special dietary needs.
