## CHAPARRAL 8<sup>th</sup> GRADE OUTDOOR EDUCATION PROGRAM

### YOSEMITE INFORMATION 2010

Dear Seventh Grade Parents:

We are so excited to offer your child an opportunity to participate in our exciting 8<sup>th</sup> grade outdoor education program at **YOSEMITE NATIONAL PARK** from **November 1-5, 2010!** This program features a hands-on exploration of Yosemite taught by field educators who are skilled naturalists with degrees in science areas. We currently have secured spaces for 125 students for next year. In order to keep these spaces, we must collect the **deposit money and student contract on Tuesday, May 4th.**

This field study experience will cover the California state science standards, stress the physics and chemistry of geological formations, and introduce students to service and stewardship roles for their future. They will study how our National Park System helps to protect special areas by learning about forest and fire ecology, wilderness skills, plant communities, botany, earth science, soils, meteorology, geology, astronomy, and ecological concepts in a small group activity- oriented approach. Chaparral staff and parent volunteers accompany students at all times.

Please review the following information regarding Outdoor Education. **STUDENTS MUST FOLLOW ALL GUIDELINES AND DEADLINES OR THEY WILL LOSE THEIR PRIVILEGE OF ATTENDING YOSEMITE INSTITUTE.**

#### **COST**

The student's cost for this year's trip is approximately **\$615** for the five-day trip. This cost includes bus transportation, food, lodging, chaperons, and supplies. Students will be lodged at BoysTown and will eat in the Curry Village Cafeteria. We are asking that **\$200 deposit** be paid on **Tuesday, May 4th** in order to **reserve your child's place for our Yosemite field trip.** Checks should be made payable to "**Chaparral Middle School.**" Also, please include the name of your child on your check. The Walnut Valley Unified School District is now being charged \$15 for returned checks, and this fee will be passed on to the writer. The canceled check will serve as a receipt for those who pay by check. If you wish to pay in cash, please put money and student contract in an envelope with your child's name and Advocacy teacher on the top. For cash payments, a receipt will be given to your child the following day. **Camp payments and student contracts will be collected as early at 7:00am on Tuesday, May 4th, outside Mrs. Oldfield's patio doors located in the front of the school. When class begins, students are able to turn in their envelopes to the front office.** The office staff will only accept envelopes with money and a complete student contract form. Since the number of camp spaces is limited, reservations will be made on a "first come" basis. After we receive 125 reservations, we will establish a "waiting list." Please remember that the office staff cannot accept money or checks should your child forget his/her payment.

#### **PARENT INFORMATION MEETING**

We look forward to meeting you and sharing information at the parent informational meeting with a slide presentation on **Tuesday, April 27th, at 7:00pm.** We will be happy to address any questions you may have regarding this trip. You may call Mrs. Oldfield at Chaparral [phone number deleted] or email her at [e-mail deleted]

## **ELIGIBILITY**

Chaparral views this Yosemite outdoor education program as a unique and rewarding experience. We require that students meet our eligibility requirements in order to attend camp. Because our students will be missing a week of their regular academic classes, we feel that it is imperative that we set high standards to qualify for this experience.

The following are the standards all students must meet. **The “tardies,” absences, referrals, and suspension standards begin in September. Citizenship and grade requirements are based on the June 2010 semester report card. Students who do not meet the criteria on this report card will be placed on a “space available waiting list” and will not attend if they do not improve to meet this standard. All criteria must be maintained until the field trip for students to attend.**

1. Grades of **“C” or higher** in all academic classes
2. Grade Point Average (GPA) of 2.0 must be maintained
3. No more than a total of 8 points on the 3 highest citizenship marks  
(i.e. 4+3+2 = 9 not eligible, 2+3+3 = 8 eligible, 4+2+2 = 8 eligible)
4. No excessive tardiness or absences
5. Not more than two serious referrals to SSRA and no suspensions

## **REFUNDS**

Partial refunds can be made but the deposit of \$100 is non-refundable if another student does not take your child's place at Yosemite. This is the non-refundable fee that we must pay Yosemite Institute to reserve your child's place.

## **CHAPERONS**

We will need several parent chaperons to accompany us to Yosemite. This is a **very active trip**, and chaperons will be required to supervise and **participate in all the activities**. Chaperons will not be charged to attend camp. If you would like to volunteer to be a chaperon, please e-mail Mrs. Oldfield at [e-mail deleted].

## **MORE INFORMATION**

In order to secure a reservation for this trip, students must have **both the signed contract and the deposit inside the provided envelope**. We realize that this is an expensive trip but feel that the summer offers an opportunity for your child to help earn the money to pay it. We look forward to having your child be part of a wonderful trip.

Sincerely,

Barbara Oldfield

# CHAPARRAL MIDDLE SCHOOL

November 2010

Dear Parents of \_\_\_\_\_,

Based on our records your child, \_\_\_\_\_, was either ineligible or decided not to attend our eighth grade Yosemite outdoor education trip. I am submitting the paperwork to have \$ 100.00 of your deposit returned to you, as per the refund policy stated in the information letter. Unfortunately, we did not have any students registering late to take your child's place.

## **REFUNDS**

*Partial refunds can be made but the deposit of \$100 is non-refundable if another student does not take your child's place on the field trip. This is the non-refundable fee that we must pay Yosemite Institute to reserve your child's place.*

It may take up to four to six weeks for you to receive your refund since it is processed through the County Education Office. If you have any questions, please contact me at [phone number and e-mail deleted].

Sincerely,

Mrs. Oldfield

**8<sup>th</sup> GRADE YOSEMITE TRIP**  
**NOV. 1-5**

**H1N1 VIRUS & BEHAVIORAL NOTIFICATION**

Please read through the following expectations and sign after each section.

**H1N1 VIRUS**

The Yosemite Institute/NatureBridge has a very strict policy regarding students who display any flu-like symptoms.

**H1N1 Flu Memo to Schools** (memo from Yosemite Institute)

We are looking forward to your upcoming visit to our Yosemite Institute campus and we are working hard to give your students the best experience possible.

The flu is of particular concern to everyone this year. We want to inform you about what steps NatureBridge has taken regarding the control of infectious diseases and enlist your assistance in keeping our students healthy and safe.

**What you can do to help keep students healthy**

*Because our students and schools very much look forward to visiting Yosemite Institute, we occasionally have students who try to come when they are slightly or recently ill. We ask your help to ensure that any members of your group who are ill, or have been ill within five days of your visit, stay home.*

Please help us keep our students safe and healthy by modeling great hygiene awareness and reminding your students to do the same.

For everyone's safety, if any member of your group begins to feel ill or develops a fever while attending our program, please notify us immediately. We have arranged to make spaces available away from other visitors in the short term. For the health of our staff and other students, *it is our policy that those who become ill or develop a fever while at a NatureBridge campus return home as soon as possible.*

I am aware that if my child shows any symptoms of the H1N1 virus or any other contagious communicable disease, I will need to immediately provide separate transportation for my child to return back to Diamond Bar. I am aware that my child will not be allowed to ride back on the bus or in any Chaparral staff/chaperone car due to the seriousness of spreading a communicable disease.

## **BEHAVIORAL NOTIFICATION**

As per the “General Disciplinary Guidelines” found in the Chaparral Binder Reminder regarding proper behavior and suspensions, your child will be expected to follow all school rules throughout the entire trip. Failure to follow these guidelines could result in your child being asked to leave the program and return home.

I am aware that if my child does not follow through with the expected behavioral guidelines as stated in the Chaparral Binder Reminder “General Disciplinary Guidelines”/behavior and suspensions I will need to come up immediately to Yosemite and take my child home.

## **REFUND POLICY**

Partial refunds can be made for special circumstances. The \$200 deposit that we have to give to Yosemite Institute to reserve your child’s spot is non-refundable unless we are able to have another student take your child’s place.

I am aware that I will receive only a partial refund if my child chooses or has to withdraw from the upcoming 8<sup>th</sup> Grade Yosemite Institute trip.

Hello Director of Operations,

Here is a copy of our journal that we would like the students to use in conjunction with the Yosemite Institute journal. I have also included a copy of the handout I bring for the Yosemite Institute instructors describing how the journal is to be used. If you share this with them, please emphasize that we do not expect the entire journal to be filled out. As per our conversation this week, it is set up to allow the students to have a place to record data if they are given the opportunity to explore and experience the various topics in the journal. Thank you so much for your support of our special outdoor education experience and for allowing us to take our students to the next level, how the parks are actually managed.

# CHAPARRAL 8<sup>TH</sup> GRADE OUTDOOR EDUCATION PROGRAM **YOSEMITE INFORMATION 2010**

Dear Parents,

Thank you for allowing your child to be part of a very special outdoor education experience. We are excited about introducing your students to a “behind the scenes look” at what it takes to manage a national park. Throughout the week the students will be interviewing park personnel, visiting sites that are necessary to keep the park functioning, and discovering the wide variety of services available to the general public who visit the park. We are trying to instill in our students that the national parks belong to them, and that they are the stewards needed to help protect and preserve the parks for future generations. One of the opportunities our students will take part in is a stewardship project within the park that will help Yosemite maintain its beauty and uniqueness among the national parks. Most projects last about an hour and are fully supervised. It is rewarding to see how proud the students are of the work they accomplished and the positive impact they have left on the land. Attached to this letter you will find the **“Volunteer Services Agreement for Natural Resources Agencies” form**. This form is required by the Yosemite Institute in order for our students to participate in a service-learning project while in the park. Please fill out the appropriate section and have your child return the form to Chaparral no later than Friday, May 21. Thank you for your support of our Yosemite trip.

Sincerely yours,  
Barbara Oldfield, Larry Rodgers, Christina Aquino

**8<sup>TH</sup> GRADE YOSEMITE TRIP**  
**CHAPERONE REQUEST FORM**

Dear Parents,

We are very excited to announce next year's Eighth Grade trip to Yosemite National Park. The dates of the trip will be Monday, November 1 through Friday, November 5. Each year we are in need of parent chaperones who will support the teaching staff and students during the week we are up in Yosemite. Chaperones will only need to pay for personal items (transportation, meals and lodging will be provided). If you are interested in being a chaperone, please complete this form and return this sheet to Mr. Rodgers or Mrs. Oldfield.

*Please be aware that you may meet all the criteria and not be selected as a chaperone. There is a need to have a balance of male and female chaperones and some students require special needs.*

Thank you for your continued support of Chaparral Middle School.

I am very interested in being considered as a chaperone for the 8<sup>th</sup> Grade Yosemite Institute Trip. I am aware that the chaperones who are selected to attend the trip will be . . .

1. assigned to a group of Chaparral students and will need to participate in all of the activities the students are asked to be involved during the week.
2. take daily hikes, be involved in a variety of outdoor educational classroom learning activities, night activities, and one rigorous hike.
3. need to be physically fit and enjoy the outdoors
4. be sharing a two bed cabin with two other chaperones
5. asked to motivate and encourage the students in their group to participate in all activities

I was a chaperone on the following trips:

\_\_\_\_ 7<sup>th</sup> Grade Catalina Trip (date: \_\_\_\_\_)  
\_\_\_\_ 8<sup>th</sup> Grade Yosemite Trip (date: \_\_\_\_\_)

I have further outdoor experience in which I did the following:
