

2011 Armstrong Scholars Program Campfire

Dear Armstrong Scholars Extended Family and Alumni,

You are cordially invited to attend a special campfire on the last night of the 2011 Armstrong Scholars Program. At 7:00pm, on Friday, August 5, the participants of this year's program will be sharing stories from their adventures. The campfire will be held at the Headlands Institute, in the Marin Headlands. Dinner will be served at 6:00 pm. You are welcome to take your Scholar with you after the program, or she can stay with the group until the morning of Aug 6.

Please RSVP for either the dinner or campfire or both. Please also let me know if you are vegetarian or have other dietary needs.

We hope you can attend this special event!

Erica Tucker, Armstrong Scholars Program Coordinator
