

2010 Armstrong Scholars Program Pre-trip Questionaire

In our effort to insure the highest quality program and provide opportunity for program improvement each year, we are seeking your thoughts on a number of questions. Each minute you devote to answering these questions honestly and thoughtfully helps us to re.

maximize the value of the Armstrong Scholars program. This is the pre-trip questionnair There will also be a post-trip questionnaire. Please return this by June 1 st to Yosemite Institute.	
1.	What are your primary goals for the program? What do you most want out of it?
2.	What are your concerns about attending the program? Obstacles?
3.	What do you hope to learn about yourself?
4.	What do you hope to learn about nature and wilderness?
5.	On a scale of 1-10, rate and describe your comfort with backpacking, hiking and wilderness travel.

Name	
6.	What sort of topics would you like to discuss as a group?
7.	On a scale of 1-10, rate and describe your comfort level with taking physical/emotional/intellectual challenges.
8.	On a scale of 1-10, rate and briefly describe your leadership skills.
9.	What does the word "wilderness" mean to you?
10.	If you were to teach this program, what would you want the students to experience?
